# Adoption Contract

Adopter's initials after each statement indicate he/she has read, understands, and agrees to each statement.

1. I understand FOSMAS has spayed or neutered, tested for leukemia and FIV(age appropriate), administered age-appropriate vaccines due, dewormed, defleaed, and completed routine veterinary examinations to ensure my cat is in good health prior to putting the cat up for adoption. I will read the medical records provided upon adoption, and adhere to the recommendations listed on that document or told to me verbally, e.g., vaccination schedule, food suggestions, etc. I will follow FOSMAS' recommendations for introducing my new companion to my home and other pets, if any already reside in my home. \_\_\_\_
2. I understand my cat is microchipped to aid in identification and return should he/she become lost. I will contact Home Again (microchip database company) at (888) 466-3242 to verify my cat's microchip registration if I haven't received confirmation from Home Again within ninety (90) days of adoption (please note; rarely, other microchip companies might be used). If my cat becomes lost, I will immediately contact FOSMAS at (408) 681-3788, Home Again at (888) 466-3242, the San Martin Animal Shelter at (408) 686-3900, local newspapers, neighbors, other shelters, and post signs at pet stores and vet offices. I understand the best chance of finding my lost pet occurs within 24 hours. \_\_\_\_ Please provide the name and phone number for an ALTERNATE contact (someone other than the adopter or spouse) for the microchip registration: \_\_\_\_\_ / (\_\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_.
3. FOSMAS strives to ensure the overall health of all animals adopted-out through FOSMAS, however, can't guarantee against future illnesses or conditions. I will immediately contact FOSMAS if my cat experiences any physical, medical, or behavioral problems within seven (7) days of adoption, and will follow FOSMAS' guidance to correct the problem. I understand FOSMAS is an IRS-registered publicly-supported 501(c)(3) nonprofit organization with minimal funds which help support and care for our animals. As such, I agree FOSMAS isn't responsible for any veterinary bills incurred by my cat for illnesses that may manifest after seven (7) days from the date of adoption below. \_\_\_\_
4. I understand participating veterinarians will provide one (1) free check-up following this adoption and upon presentation of the form showing proof of adoption. I will contact FOSMAS or the San Martin Animal Shelter for a list of participating veterinarians. \_\_\_\_
5. I understand pet health insurance is advantageous for future veterinary expenses. Various pet health insurance policies are available, and some offer new client specials if completed within a certain timeframe. I will research pet health insurance; decide which best fits my needs; and choose or decline based upon this research. Having pet health insurance isn't required to adopt from FOSMAS. \_\_\_\_
6. I won't de-claw my cat. \_\_\_\_
7. I agree to allow FOSMAS to check on the welfare of my cat from time to time either by phone, in person, or e-mail. I understand this isn't an infringement, but rather, is to ensure my cat is loved, safe, well taken care of, and happy. \_\_\_\_
8. I am aware of the long-term commitment I'm making by adopting a cat today. I agree to care for my kitty for the rest of his/her life which I understand may be 10 to 20 years. I understand and agree I will keep him/her strictly indoors. I am a responsible cat owner and, as such, I will make sure his/her vaccinations are always up-to-date, will take him/her to my veterinarian for annual examinations, and provide prompt emergency care as needed. \_\_\_\_
9. I understand and agree an animal's actions may be unpredictable, and FOSMAS makes no representations as to the behavior and temperament of my cat. I agree to accept possession of the cat at my own risk, and release and waive any and all claims against FOSMAS and its officers and volunteers now or in the future for any damages to person(s) or property caused by my cat. \_\_\_\_
10. I understand if I decide to return my cat within seven (7) days of the adoption date indicated below, FOSMAS will refund the adoption fee in full except for a \$20.00 handling fee. Unless I call FOSMAS to document a physical, medical, or behavioral problem I'm trying to work out, if I decide to return my cat at a date later than seven (7) days from the date below, there will be no refund whatsoever. \_\_\_\_
11. Frequently, FOSMAS adopts multiple cats that need to stay together. If I adopt multiple cats during this current adoption, but have to return one for any reason, I agree to return all adopted during this current transaction so multiples aren't split-up. \_\_\_\_
12. I understand and agree these statements constitute a contract between FOSMAS and me. If the above conditions are not met, or if inaccurate or unverifiable information was provided, this will constitute a breach of contract and custody of the cat will immediately revert to FOSMAS. \_\_\_\_
